The background of the slide features a stylized, isometric illustration of a winding asphalt road with white dashed lines. The road curves through a landscape represented by green rectangular blocks of varying sizes, suggesting buildings or vegetation. Five large, 3D-style location pins are placed along the road. From left to right, the pins are orange, purple, red, blue, and green. Each pin has a circular opening in its center. A thick, dark purple curved line separates the bottom-left corner of the slide from the rest of the background.
